

## Registering for an Account on 3M™ Pattern Marketplace

This tutorial provides a step-by-step guide on how to create and activate an account for the 3M™ Pattern Marketplace.

### Step by Step Instructions to Create an Account

1

Navigate to [patternmarketplace.3m.com](https://patternmarketplace.3m.com) and click the **Register** Button

2

Fill out the required information on the registration form and click the **Register** Button.

*Note: A password must contain at least one of each of the following: uppercase letter, lowercase letter, number, and special character.*

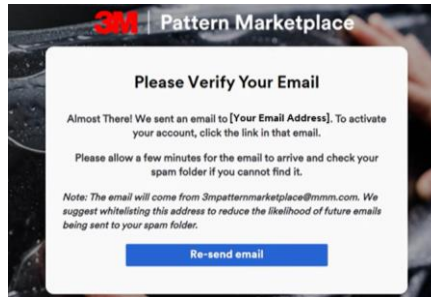

For current 3M™ Pattern and Solutions Center (3M PSC) customers, use the same email address associated with your 3M PSC account.

3

A notification screen will display asking you to verify your email address. Access your email inbox and look for an email from [3mpatternmarketplace@mmm.com](mailto:3mpatternmarketplace@mmm.com).

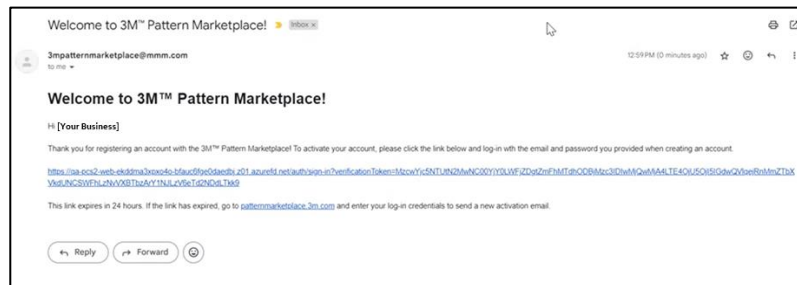

*Note: We suggest adding [3mpatternmarketplace@mmm.com](mailto:3mpatternmarketplace@mmm.com) to your email address book/safe senders list/whitelisting it to reduce the likelihood of future emails being sent to your spam folder.*

If you don't see an email arrive after a few minutes, and you have checked your spam folder, click the **Re-send email** button.

4

Click on the account activation link in the email. We recommend clicking on the email from your computer, not your mobile device, as you will be redirected to the 3M™ Pattern Marketplace home page to log in.

5

Enter your log-in credentials (email and password you entered when creating an account). Your account with the Pattern Marketplace has now been set up!

You will have an exclusive free trial period to access all 3M Patterns **until May 5, 2024.**

We recommend checking out the **Cut Agent Set Up** and **Pattern Editor** resources in the “Tutorials” tab of the support page for guides on how to access patterns and set up the 3M Cut Agent and your Plotter Devices.
